Congratulations to the class of 1994! During the three short years that we have been together, many wonderful memories have evolved, friendships developed, and relationships begun. We have matured over time, showing our courage in hard times, and establishing a spirit and character which will forever be held in high regard by those who follow. As a class, our commitment to excellence in all walks of high school — academics, vocations, community service, athletics, and other activities — has not gone unnoticed, and we, by all standards, have upheld the good reputation accredited to Weymouth High. I can honestly say that I could not have represented a finer group of young adults, for in my mind, this group is unique in its individuals. Never before have I witnessed such a diverse group come together with such camaraderie. It is an example that will hopefully carry over into our future lives. Finally, I only wish to thank you, the class of 1994. "They" say that high school is the best time of your life, and I could not agree more. These have been wonderful years. My personal best wishes to all of you in your future endeavors.

Thank you and Good Luck,

Robert and Mark Willis were born on April 24, 1975. They remember the car accident, the 100 mile barrier, and having lots of fun.

This track duo named Sarah and Tina Markarian was born on July 19, 1976. One of the many funny moments include the biting attack on their brother Brian which sent him to the hospital!

February 11, 1976 marks the birth of Cara and Timothy Corbett. One scary instance was when round marks were discovered on Tim. Their mother thought he had worms, so they went to the doctor. To everyone's surprise Cara began biting Tim at the office, making her the culprit.

Amanda and Harry LaCoste share the birth date of March 7, 1976. As Harry and Amanda grew up, they spent many times playing together. One of their favorite hobbies was pretending to be the Wonder Twins. Their mother even bought little patches that said Super Twins which made them feel like real "Wonder Twins"!

Stephen and Tighe Clements were born on June 4, 1976. The young men do not think they look alike but they think it is funny how everyone confuses them for each other. When they were younger, they used to switch classes to fool teachers.

Yearbook Staff

Senior Editors: Myung Hee Nicholson, Kristyn Blume, Christine Banfield and Suzie Allen. Sophomore Editor: Heather Bevis. Active Staff Members: Kathy Pavlopoulos, Keri Madden, Dina Maligno and Meredith Linnell. Staff Advisors: Edward and Marie Worcester.

The 1994 yearbook has been a project that required a great deal of effort from the members of the staff. Staying after school everyday, sometimes until five o'clock or later, and finishing up work at home during deadline times became regular practices for our staff this year. The editors and Mr. Worcester also attended a summer camp at Bryant College in Rhode Island for three days. During this camp the cover was designed and we were introduced to new ideas and possibilities. The members of the staff would like to give a special thanks to Mr. and Mrs. Worcester. Their efforts did not stop merely with advising us; they were there to help out and give us motivation, not only with the yearbook, but with everything else as well. Although, it has taken up much of our free time and we are thankful to be done, I think we all managed to have at least a little fun when we were working. We hope you are happy with the 1994 yearbook.

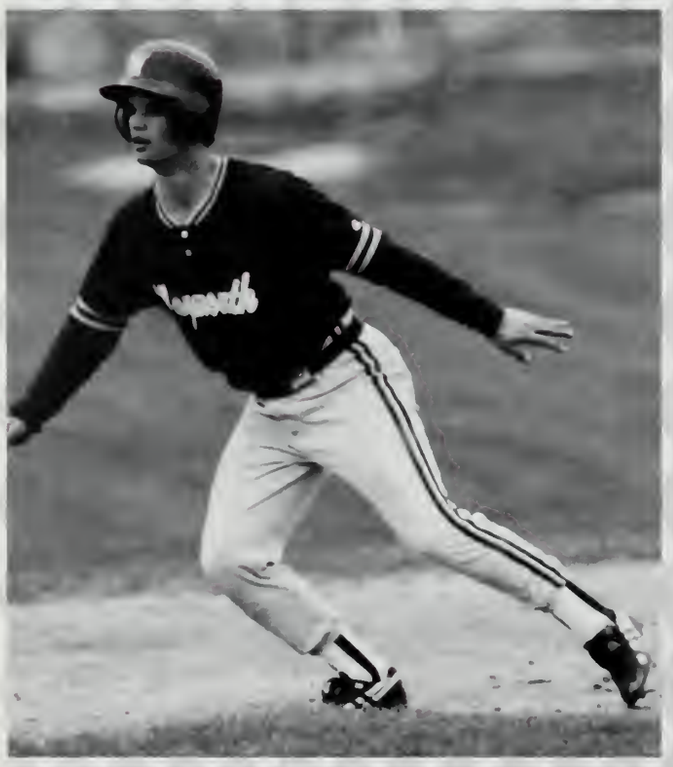
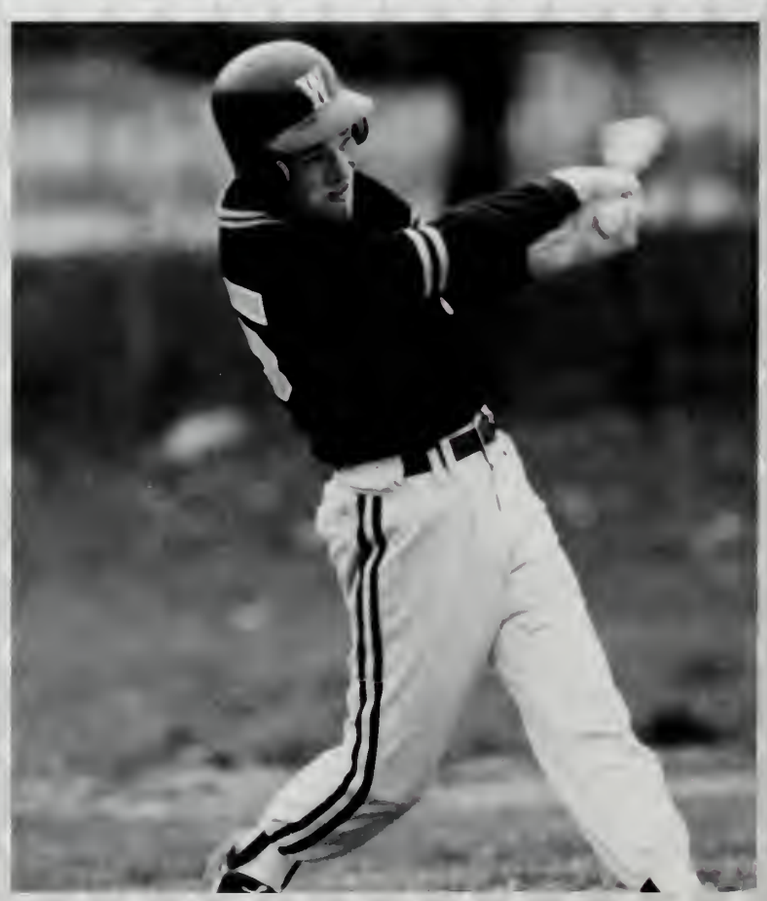
Boys Baseball



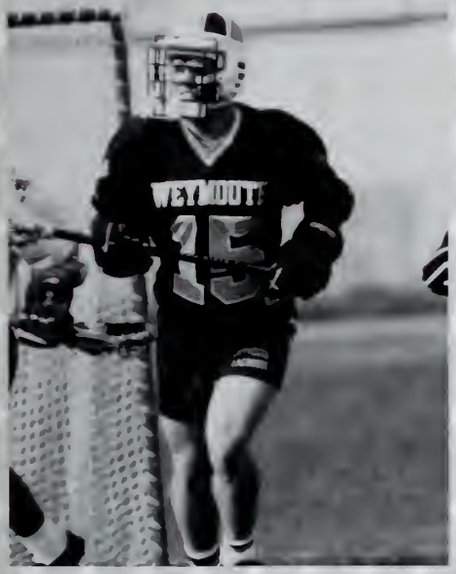


The major story for the spring of '93 was the late winter snow storms. The baseball team was particularly affected having to spend the first three weeks of the season in the gym or at the parking lot at Wessagusset Beach. The team started slowly, losing their first three games, but then had a great five week stretch winning thirteen out of fifteen games and finished third in the OCL. The season ended on a low point with a tournament loss to Needham in the first round.

The team was led by seniors Billy Donoahue, Joe Paolucci, Greg Beston, and Tim Daly. Underclassmen playing key roles were Joe Gaudet, Steve Kerrisey, Mike Gates and Erick Smith.

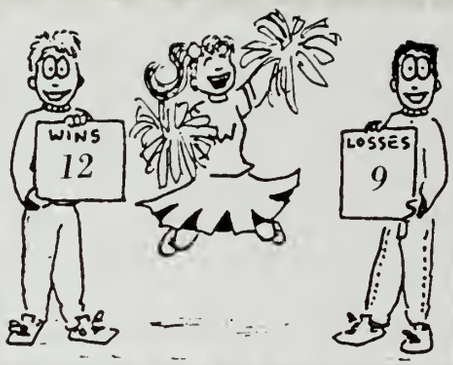
Boys Lacrosse

The coaches of the 1993 Lacrosse team, Tony Manzelli and John Wyman, with help of Team Captains Joe Donovan and Adam Goode, and an excellent all around team, led Weymouth Lacrosse through a very successful season. Finishing the season off by defeating Austin Prep, Concord-Carlisle and Hingham in the playoffs and becoming the Division One South Champions. Their only disappointment was a loss to Newton North in the Eastern Mass State Finals. Good Job Guys!



(front row l-r) Matt Verney, Dave Perera, Dan Hemenway, Joe Donovan, Adam Goode, Jim Taylor, Matt Keenan, Andy Doherty (second row l-r) Paul Coronite, Mike MacDonald, Rich Cifuni, Mike Taylor, Ben Ziniti, Brian Scott, Greg Liberman, Eric Bell, Jesse Thatcher, Brian Curreri (third row l-r) Derek Bosse, Jay Wilson, Mark Morrow, Bill Rogers, Rich Eaton, Jim Piccuito, Tim Godin (not pictured) — Dave Collet, Mlke Monturio and Steve Zella

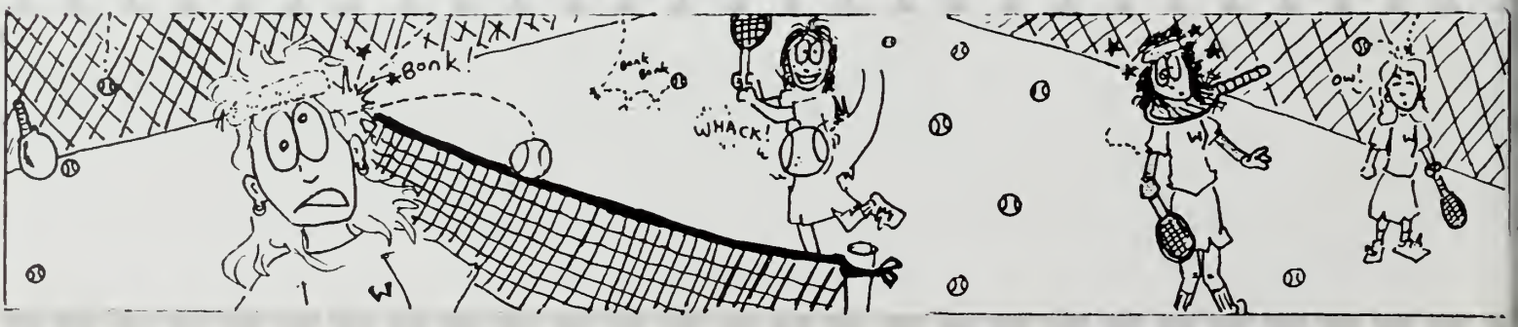
Girls' Softball



Highlights of the softball team (12-9) included two victories during the last week of the season that were needed in order to qualify for the tournament. The two key victories were over B-R 12-8 and Notre Dame 6-2. The team played one game in the tournament against league rival Taunton. Although the game was lost 3-0, the players had their best game defensively and were never out of it. Individual standouts were turned in by Dianne Horwath (1st Team League All-Star) and pitcher Maura Kenney (2nd Team League All-Star). A funny memorable moment was when Michelle set the fire alarm off and the whole gym had to be evacuated! Lastly, a very special thanks goes to Coach Jamieson for his dedication and hard work throughout this season and the many others.

(front row l-r) Amanda McCauley, Michelle Frazier, Maura Kenney, Dianne Horwath, Jill O'Connell, Alicia Kadlick, Kerry O'Brien (back row l-r) Suzie Allen, Stephanie Kelly, Meredith Beaton, Sara Donoghue, Maureen Monturio, Katie Flavin, Coach Jamieson

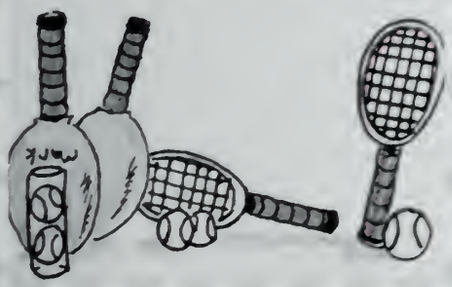
Girls Tennis



The Girls Tennis Team had a great year with an overall record of eight and eight. The season was filled with great times and the memories will always be with us. Jayne Scheiff, Pam Powell and Tiffany Fein filled the top three singles spots. The doubles teams of Kelly Myatt and Erin Spurling and Jill Strathdee and Tricia Mullaney rounded out the varsity team. Good Job ladies and best of luck next season.

(front row l-r) Kelly Myatt, Jayne Schleiff, and Laurie Miller, (back row l-r) Coach Ceri Bartlett, Jill Strathdee, Tricia Mullaney, Christine Banfield, Tiffany Fein, Pam Powell, Erin Spurling and Suzanne Hanlon

Boys Tennis



The Boys Tennis Team had an excellent year with an overall record of twelve and six. Led by O.C.L. all-star Nehme Abouzeid, Weymouth made the State Tournament for the second straight year. Nehme Abouzeid, Wayne Keith and Chip Edgar filled the top three single spots and the doubles teams of Erick Bird and Mark Rogers and Adam Black and Mike Piccarini rounded out the varsity team for the 1993 season. Some of the team's best moments were when the 400 yd. relay team made up of Katie Alexander, Gianna Hutchinson, Andrea Illes, Tina and Sarah Markarian made the New England Finals and the 3200 meter relay team of Nicole Buchanan, Kerry McDonald, Jill Caterer, and Tina Markarian made the State Finals.

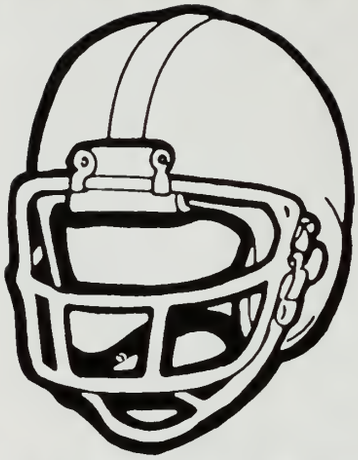
FOOTBALL BOYS



As the crowd gathered on the frigid Thursday of Thanksgiving to support our football team, all hopes were high. The 1993 football team, led by Captains Ryan Casey, Brian Scott and Michael Taylor, had a good season; ending the OCL 4 and 4 and overall 4 and 6. Unfortunately, despite an awesome effort, Brockton came out with a strong second half and defeated Weymouth 14 to 10. One football player states "You gotta give it all you have every practice!" (other players concurred). Senior Gene Gomes, when asked what football means to him comments "It's a combined effort of a group of diverse people coming together as a team to work out problems, overcome hurdles and maybe win a few games." Thanks for a great job guys, you did well. Best of luck in the future.

Teamwork is something to be proud of and the 1993 season Golf Team exemplifies just that. Thanks for a great year, and always remember 'sweet pickle'." Our thanks to the Golf Team for their effort and sportsmanship.

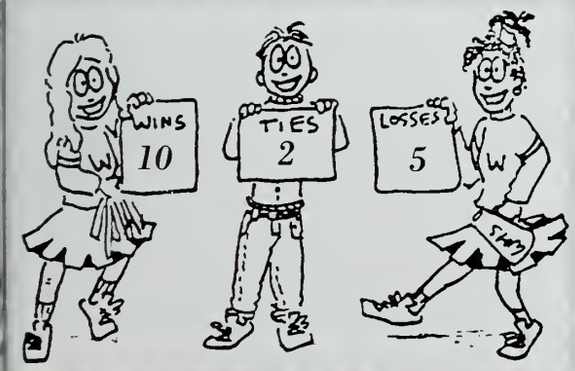
The Wildcat soccer team had another great season behind the leadership of nine seniors. There was an enormous amount of spirit and enthusiasm that kept the team tightly knit. The season started out with a pre-game pep rally at Papa Gino's and Dairy Queen, and a stakeout of Ms. Dean's house. This led to an opening win against B-R, 2-1. One highlight of the season was a huge win over Silver Lake 5-0, after the Wildcats had struggled through a three game losing streak. Another great moment was a victory over the previously undefeated Plymouth Eagles at their field by a score of 2-0. Finally, the girls can never forget the rise and fall of the banana and the interesting talks/lessons on the back of the bus.



SOCCER BOYS

(Front row L-R) Pat Ahl, Paul Morse, Matt Freeman, Rich McCluskey, Chris Johnson, Christian Tate, Chris D'Andrea, Mike Rice, Jamie DiBona, Jimmy Machado, Andy Brow (Back Row L-R) Coach Schoff, Sean Gibbons, Ted Ruell, Ryan Killman, Mike Gates, Nehme Abouzeid, Scott Regan, Matt Dunn, Mike Deady, Jason Karalexis, Todd Terry, Eric Papachristos, Coach Griffen

The boys' soccer team had the best regular season record in the school's history, in addition they were both South Sectional Champs and Eastern Mass. Finalists. It has yet to be decided which game was more incredible, the 4-0 win over G.N.B., the #1 ranked team or the 4-3 overtime win against New Bedford. With eleven great seniors at the helm, the boys were unstoppable. Some stunning moments include Matty F's magical chip to Cindy vs. Plymouth, Sausage's break-away vs. New Bedford, Tate's nifty goalkeeping vs. B.R., and Dunn's Bullet vs. G.N.B. Along with a winning season, the boys had time to have some fun at Webb and at the Pasta Feats. Holding the Grendel and "Nice game Pete" were also memorable. Just a reminder that congrats for being named to the Patriot Ledger All-Scholastic Team go to Matt Dunn, Christian Tate, and Matt Freeman who was also a Herald All-Scholastic. It was a wonderful season for an intense team.

SWIM TEAM GIRLS

This years Volleyball team captained by seniors Amanda Goodale and Amy Bauer had many exciting games. Even against such difficult teams as Barnstable High School, the girls fought hard and were competitive. Other seniors that provided both leadership and talent were Beth Murphy and Cara Corbett. Senior middle hitter, Amanda LaCoste was a first year player. She managed to hold a starting position and helped keep the team's spirit going. Juniors who contributed to the Varsity cause were Michelle Malfy, Kelly Robinson, and Maureen Monturio. All three girls will contribute to next year's efforts. Trang Tran was a starting player as a sophomore. Her serves and sets proved to be valuable assets in many of the games. Katie Eaton, another sophomore, had an injury at the start of the season but managed to get some varsity time. The lone starting freshman was Rachel Kadlick. She had much talent and Weymouth is fortunate to have her another three years.

However, they did have a key win in Barnstable to keep their tourney hopes alive ad Matt Dunn, another OCL All Star, scored with 20 second left in the game to take home the victory. Members of the team would like to remind Balfe to wake up and for Karlberg to watch out for the clothesline. They acknowledge "suffer", Younie's 2.47? and will miss Coach Murphy next year.

This year marked the fifth straight year that Weymouth won the Old Colony League title and the first year they took the Division One South Sectional title by defeating Franklin. Individual expertise was displayed by senior Co-captain Bob Bonacolta and underclassmen Joe Curran and Joe Morganella Weymouth's team was credited with having 12 sectional place winners. The team was lead by Co-captain seniors, Matt Gill, Dave Collett, Bob Bonacolta and Mike Monturio. Matt and Dave agreed that the best feeling they experienced during the wrestling season was winning the O.C.L. and the Div. One South Sectionals for the first time. Dave also mentioned, that the best part about being on the wrestling team was "learning teamwork, because if one kid didn't make weight, the whole team could lose the meet," while Matt commented, they gained "a learned appreciation for food." To the Senior class: you guys did a great job. Thanks for participating with everything that has gone into making this book. There are some things that are different from last year's book but then again every class is different from year to year. We are the class of '94 and I hope you enjoy the book now, and ten years from now. As editors of the yearbook we have tried to capture some of the feelings and spirit that has existed in our school. Best of luck today and forever.

Here's how to use this book: Wait ten years, then dig it up from your attic, look through the pictures, read through the commentaries, remember the memories, call up your old friends and have a great time!!

Keep the memories alive and remember we are the class of '94!

In Memory of

Karen Baker

1947-1994

From her students

Karen E. Baker
She was such a good person
Someone who always made you laugh
You could talk to her and she would brighten up your day
Her smile was so warm
Her laugh was so loud
Now she is up above the clouds
She is an angel in heaven, happy as can be
No one can take her place
As a teacher, a mother, a wife, or a best friend
In our hearts she will always be
She rests in peace and is watching over us now
We will never forget her, no way, no how
She is with us always
Standing by our sides
Today we all stood over her in pain
Knowing that she is not in pain anymore
But knowing that she is gone forever
But her family, friends, and we cosmetology students
Know that Karen, Mrs. Baker's soul
Lives on with us forever
And we will always be together.
We love you and we miss you!!!

Love, all the cosmetology students at Weymouth Vocational
Written by: Kerrianne Dooley

From a friend

Karen dedicated her professional life to vocational education and made a real impact on the town of Weymouth. She founded the cosmetology program, beginning with as little as an empty room on Chard Street, and a pen and paper. In that dimension beyond duty, she helped hundreds of students to become not only fine young professionals, but also caring, loving individuals.

Karen's legendary sense of humor was sent straight from heaven to all of us. When you felt you were hitting bottom, Karen Baker would come with a funny story or an amazing smile to bring you up. As her partner since the beginning at Weymouth High, I have felt her to be my best friend, and I will work endlessly to keep the true spirit of Karen Baker alive in the Cosmetology shop and throughout Weymouth High.

So for the students, staff, custodians, secretaries — everyone you've touched at Weymouth High — we say "Goodbye, but not farewell, and thank you, Karen Baker, for all you have given of yourself to us."

From her co-workers

Who was Karen Baker? Karen was like a brilliant sunrise, warm and strong and not to be denied.
A dogged optimist, she always knew her goals were attainable.
A compassionate friend, she could never turn away from injustice or human pain.
A sensitive human being, she saw the potential beauty in all of us while never denying the reality of who we really were. She could shed a tear at another's joy and be the most fearsome opponent you'd ever hope to face. A refuge to anyone struggling against the odds, a supporter of anyone standing up for what's right — we were lucky to have known the likes of her.

"The thing I remember most about Karen was the concern that she had for her students. She was tough on them, but also tough in support of them."

"I will always remember her laughter. She laughed from the bottom of her toes to the top of her head."

"Karen was the most caring, unselfish person I've ever known. She gave all that she had — and more — to others."

"When the two schools merged, and I came here, Karen was one of the first people I met. She was so warm and welcoming."

"Your dedication, support, and personality will be deeply missed by all. You were always fun to be with, to talk, to listen, or joke with, but most of all, we'll miss your friendship and the fun it was to be with you. You will never be forgotten. There will always be a place in our hearts for you."

"Some people come into our lives and quietly go, others stay for a while and leave footprints on our hearts and we are never the same."

In Memory of
John W. Auger

August 25, 1975 — February 6, 1994

John Auger was an eighteen year old senior of Weymouth High School and part of the 1994 graduating class.

John Auger was raised in a very loving family that valued times spent together and worked hard to be good people. As a family they took annual trips to visit family in Philadelphia, Pennsylvania. Every summer a special trip was planned. The Auger family would pack up everything and travel to places like San Francisco, Las Vegas, the Bahamas, Mexico, Montreal or John's personal favorite, Hawaii. While John and his family were in Las Vegas, he and his father decided to take a plane ride through the Grand Canyon. "It was beautiful." Mr. Auger said.

John's nine year old sister, Sharon was also a very important part of John's life. Neighbors and family commented "If John were home at three o'clock when Sharon got out of school, he was there to pick her up." John had described how protective he would be when Sharon started dating.

John attended High Park Academy through the eighth grade. During the summer before his fourth grade year, John's family went to Hawaii. There, they toured Pearl Harbor which John found especially interesting. When he returned, he studied the subject and did a very detailed report on it. His teacher asked him to do a fifteen to twenty minute speech. When the speech was ready, the LESSON, lasted two hours. John's project and information were in such detail, and he knew so much about it, that there was even a question and answer period. While at the Academy he was also awarded the Lamp of Knowledge for computers.

John was interested in computers, baseball cards, collecting, reading Stephen King and making models. His plans were to attend East Coast Aero Tech in the fall and follow that with a degree from Wentworth. His mother said, "If you mentioned a baseball card he knew exactly what box it was in." (even though he had many boxes). John worked a part time job at Crawford Drug Store in Dorchester. He worked probably twenty hours a week and still found time for his family and school. "John was a good kid," said his sister.

Besides being a computer whiz, a baseball expert and a family guy, John was a good to his friends. Whenever someone had a problem or needed someone to listen, John was there. He never talked down to people, he simply tried to hear and help them in any way he could. John was a friendly, out-going and caring person. Friend, Jason Wiggin, commented that "He was also there whenever a friend needed him."

These outstanding characteristics were developed and emphasized by John's parents and family. Also, John's bout with seven malignant melanomas, forced John to face a serious illness when he was only six years old. John, however, never used this to gain pity or sympathy. John just moved on with his life and survived . . .
